Dear

Before suggesting membership to a friend, a member should invite him as a guest at a regular meeting of the Club and introduce him to at least two members of the Membership Committee and to at least two members of the Executive Committee, who are not members of the Membership Committee.

The enclosed "INFORMATION SHEET" should be filled in and signed by the member without any commitment to his friend regarding possible membership and returned to me for careful consideration by the Membership Committee.

In due time you will be advised of the result.

Regards,
